Want to learn how to be a Music Producer and Engineer in Pro Tools?  
 6 hour crash course only \$250!!!!!!!

We work everyday with a very diverse group of artists!

Want to know the best way to do something? How to do something? We know all the tips, tricks, effects, styles, and techniques and we use them daily. Artists can be very demanding -- sometimes they don't understand what it takes to meet those demands or if the engineer can perform them fast and effectively, if at all?

We will train you how to use Pro Tools effectively and how to implement the most common techniques.

You will actually sit and mix large sessions of real actual artists from start to finish with an experienced instructor for guidance. complete audio recording, engineering and music production from start to finish.

6 Hour crash course = \$250.00
