The goo sloppin' stain calls Trump "an out of touch billionaire" - What does that make hillary? Consider this, if hillary was able to make off with 6 BILLION as Sec. of State, imagine how much she could steal as president. The stains don't mind, or refuse to believe, that hillary is possibly the biggest thief in history. What will hillary have to do to get the vote of the parasites? She'll offer them up some free shit, and promote drugs and gayness.
