I plan on driving to Chicago from Denver, leaving early in the morning of July 1st. I will have a few extra seats in my car for whoever might want to come along. My car is a 2012 Toyota wagon with two sunroofs, lots of storage space, and has a great stereo system. I have made this drive many times in the past. This will be a fun drive, come along!

If you simply have an item you want delivered to a location along the way, I can drop it off for you, for a price.

The cost is per person:

Denver to Chicago - \$100
Denver to Chicago (round trip) - \$160
