Love to work with children? Nanny Poppinz has the perfect job for you. We are a nationwide company open 24/7 that takes extraordinary care of our nannies. We never charge a fee of any kind to our nannies, nor do we take a percentage of your wages. We offer free CPR classes. We customize the job to your needs. Without you, we would just be Poppinz. You must have 3 years of verifiable paid or unpaid experience working with children, be 18 years of age or older, have a clean criminal history, and be legal to work in the US. If you are looking for full time, part time, temp, live in or live out nanny work, or looking to relocate, we have positions available. Please call Melissa at today to schedule an interview.
