Hi my name is Jessica and I'm looking to be a nanny full or part time. I can travel or you can bring your child to my home. I am married with two children, so my kids will be there as well. They are pretty self sufficient, so if you have a baby, they would love to help or just do their own thing. I worked in a nursery when I graduated from high school for a month, then worked at an elementary school for 3 and a half years. I stopped working there because I just had my first child and wanted to stay home. Now, I'm looking for a job to help support my family. I have lots of references if you need any. I'm very outgoing and love to keep kids busy and happy. Live going to the park, not much of a crafty person, but I try. I am very clean and we are a healthy happy family. I hope to hear from you. Thank you for your.
