Hi parents,

Thanks for taking the time to read my ad and find out more about me. I'm a passionate educator with over 10 years of experience working with children, including group leader at daycare's, many years as a nanny as well as teaching second and third grade.

I am an active, engaged childcare provider that enjoys daily outings, constructive play, lots of baking, and arts and crafts time.

I recently made the transition from third grade teacher to stay at home mom. I currently have a 15 month old and I am looking for one other child to care for.

I would like to find one child to care for during the week and my hours are flexible. I'm comfortable working with infant to school age.

I'm looking for a family that views me as a team member in raising their child. Communication, trust, and consistency are very important to me.

I possess a degree with emphasis in elementary education as well as my teaching license. I'm also cpr and first aid certified. As well, I am currently working on my masters in early childhood education.

I am happy to provide references and discuss any further details and/or questions you may have.

Please do not hesitate to contact me.

Thanks for your time,

Amber
