The Laboratory for Emotion and Addictive Processes (LEAP) at the University of Arkansas is currently recruiting NON-STUDENT, MALE participants over the age of 18 for a qualitative study that is expected to take approximately 2 hours. Participants will be paid \$25 for completion of the research study.

We are currently recruiting for participants available Saturday, June 20th from 10:30 am-1:00 pm. The study will take place on the University of Arkansas campus.

The purpose of the study is to examine participants' experiences with how other people respond to their emotions. The study consists of two parts: (1) completion of several questionnaires individually and (2) a focus group interview.

If you are interested in this opportunity, please email or leave a message for Melissa at If study participation spots remain, you will be provided additional study information and an opportunity to enroll in the research study.
