Need to sell ASAP price reduced to \$18500. she books at \$18700. Her name is Riley she is a six speed manual with 69xxx miles. She has a custom soft top, one of a kind sunroof. The windshield is alaskan and I am willing to replace it. The tires are 285s so i made sure to include 1.5 inch spider spacers, she has a 1.5 inch bds lift. Nothing much just a small upgrade for suspension. I also have a set of studded tires mounted on 16in steel rims as an option for the buyer. If you would like I have kept the stock front.
