!!! \$2200 or best offer !!!

I just bought this car cash a few days ago. I didn't realize how big it was till I drove ago. I never even registered the car, since it;s only been a few days.

I bought it in Rhode Island. It needs an alignment suuuupperr bad.

There are a whole bunch a little issues that I was not told about. I already have another car. The engine is quit good.

If you have any other questions please feel free to.
