

# Victorian one armed petticoat chair (110 USD)

Location **Washington**  
<https://www.genclassifieds.com/x-512555-z>

1870-1890s Victorian petticoat/bustle chair. These were designed for ladies to sit low to the ground (to tie their shoes) and so their large skirts could fit. This is in what is called the Eastlake style. The carvings are wonderful, and include a phoenix-like bird and ornate carvings. It has no damage to the wood, and the original upholstery and.
