Jugs Combo Pitching Machine (750 USD)

Location **California** https://www.genclassifieds.com/x-512640-z

Jugs 'Super Jugs Pitcher' baseball pitching machine. It works but needs a few things to make it better: A new ball feed chute that costs \$85.00 and one of the motors needs help. So with the addition of a few parts and some spray paint you have a top of the line Jugs pitching machine that is in great shape. A new one costs about \$3000.00 + tax and freight.

The price for this one is \$750.00 or best offer.

The proceeds benefit the Menlo-Atherton High School Baseball.
