We welcomed a beautiful litter of 13 dumbo rats on 06-03-2015. We have 8 females and 5 males. These photos were taken at their one week marker. All are Dumbos with either Rex or Double Rex coats (one looks to possibly be standard coat). Will know for sure as they get older. We have hooded, and mismarked barebacks with a variety of blazes and head spots in the colors: black, agouti, blue, and blue agouti . PICS FREQUENTLY UPDATED. Mom and Dad are pictured below in the last photos. They will be ready to go to their homes the first week in July. We will be looking to rehome them in pairs. Adoption fee will be \$40 for two. If you already have one or more rats and are looking to just add one to your family the adoption fee is \$25. Please text or email if you are interested in reserving yours!
