Auto Consulting Field Agent

We're currently looking for part-time and full-time field agents to join our Metro-Detroit area team.

As an Auto Consulting Field Agent, you will be responsible for sourcing qualified clients that are in need of our Auto Consulting services. You will provide them with the basic understanding of what services our company provides and the information they need to contact us for our services.

This is a remote (work-from-home) position, and you are not required to report to any office. PAID training provided. Weekly/Bi-Weekly compensation.

Knowledge, Skills, and Abilities required including but not limited to:

1. HS Diploma/G.E.D. REQUIRED
2. Must have excellent customer service skills, as well as, written and verbal communication skills. Must be organized and detail oriented.
3. Intermediate computer skills including knowledge of Microsoft Office Suite applications.

4. Auto industry background preferred, but not required.

Interested applicants should resume with the APPLY button.

purchase pre-owned/used vehicles as well as clients that are seeking repairs on their current vehicle. Our experienced auto consultants provide un-biased auto advice. We are NOT Auto Brokers. We don't sell or fix vehicles (although most of our staff consists of experienced auto mechanics, technicians, and sales advisors). At Peace of Mind Auto Consulting, we work to provide just that: Peace Of Mind, when making important auto.
