MALE DANCER 18 or older needed for an ongoing revue with performances at special events and private parties such as weddings, bar mitzvahs, family milestones, banquets, and holiday celebrations. Most jobs are on evenings or weekends.

Must have musical theater and/or ballet experience (a la "A Chorus Line," "West Side Story," "Fiddler on the Roof," etc.). Tumbling, gymnastics or acrobatic skills are a big plus, but in no way required.

Very flexible schedule, as there is no conflict with other jobs (if you are unavailable, you may decline any particular job offered). Excellent pay, and each performance averages only 20 minutes. The entire rehearsal will be under 2 hours. Positions are open to both union and non-union performers as these events do not fall within union jurisdiction.

We are seeking local talent only.
