Hi there!

I am a 28 year old female currently living in a coop in Cambridge and looking to move to Jamaica Plain in September. I am a professional violist and my work is a balance between performing, teaching, and teaching artist work.

I value local sourcing of food (farmers markets, CSAs), a sustainable lifestyle, and an awareness of issues regarding social justice. I am a very responsible and clean housemate and a good communicator. I am looking for the same and would prefer to have only one or two other housemates!

I like biking, cooking, drinking beer, going to concerts, and traveling. I grew up in Vermont but have lived in MA for the past 10 years. I practice viola from home but rarely before 9am or in the evenings.

If this sounds like a good fit, send me an email about you and your!
