I've advertised in the past and met some qualified males for the project I'm doing - this is the final segment of a custom wall painting with the theme of a spa - The piece will be installed in a private home in a workout - his/hers dressing area  
Adult in nature, I'm not necessarily looking for porn  
What I would ideally want is a well defined male - not uptight about his body - who can pose in different positions, etc  
The final piece won't have your head shots - the figures will be modified by the artist and only the body form is important  
This is a one on one situation in a private
