Meet Matilda!

A clownish, playful & intelligent mix covered in cow spots and with adorable bunny ears, Matilda is 1 year & 7 months old. In her foster home, she has proven herself to be affectionate, and a quick study. Matilda loves other dogs of 20 lbs and up, and is very playful -- she'd be a great second dog to a playful male dog.

Matilda wins new people over quickly, and is a sunny, people-oriented dog once she gets to know a person. She loves chewing on her bones and toys, loves walks and is quickly learning not to pull on the leash. She is crate trained, spayed, healthy, and up-to-date on shots!
