Australian Shepherd puppy ready for loving family's, I am not a Breeder or puppy mill. My dogs have never been caged they are part of my Family. Puppy post do not stay up long, People do not like to see puppies adopted to Loving homes. There is a Adoption fee of 500 dollars. I only have 1 Puppies left to be Adopted, female black white and tan . Aussies are very loving dogs they are sometimes called shadow dogs , because they will follow you like a shadow once they bond with you. Very smart dogs that have a lot love to give, If you cant handle a dog that will be around you and following you from room to room. this is not the puppy for.
