Hello! CJ's Lawn care is now back for the 2015 season serving Omaha and Elkhorn areas! We are offering our no contract Weekly Visits where we will mow your lawn, trim around trees and obstacles, blow off driveways and walkways of grass clippings and debris, and pick up and take away small sticks and trash. We can also bag your lawn clippings for an extra \$5 if you prefer.

Our weekly service is only \$25 - \$35 per visit for most lawns. Our weekly visits start when you choose them to and go through the end of the season. At the Fourth of July visit you have the option to switch to our bi-weekly visits at an extra \$5 charge.

We are proud to offer our full service visits at such a great price. Our company is local and family-owned and we take pride in our work. You will always have the same one or two family members working on your property every visit, so there's no hassle with new workers.

We also have bi-weekly full season visits but the prices vary and start at a minimum of \$30. You do not have to be home when we work, and you do not even have to come outside if you are there. Just go on with your normal life and we will take care of the lawn. We can leave an invoice in the mail box every other visits so you can make payment. We accept cash or check.

If you have a locked gate, we can get a copy of the key and add it to our ring of keys. We always leave the yard in a clean freshly manicured condition and always lock up the gate afterward.
