

Beginning Lawn Service (Omaha)

Location **Iowa**
<https://www.genclassifieds.com/x-513059-z>

I am starting my own lawn service that offers a variety of services. Those services include mowing, dog waste removal, raking leaves, shoveling, etc. Prices range for different services. Mowing prices will range from \$20-40 depending on size of yard. An extra \$10 will be charged for dog waste removal. I am looking to gain about 13 yards a week to mow. Please send e-mail if you are interested.!
