

## Bee Removal

Location **Iowa**  
<https://www.genclassifieds.com/x-513062-z>

Free if in a tree Honey Bee swarm removal by " The Bee Whisperer ". If you see a honey bee swarm outside in a tree or on the outside somewhere call us and we will remove it FREE. If you have honeybees in your shed, house walls, attic or any place else and you would like them removed call us also. DO NOT TRY TO SPRAY THEM. Dead bees STINK really bad when there is a bunch of them. Call and we will remove them without using chemicals and place them into one of our hives miles from your location so they will not return but will live out a happy life. Only looking to remove honeybees, if you are not sure what they are just call to discuss. Call 7 days a week 7am-8pm click on the show info button or the reply above to get the phone # .

Thanks!!!
