BRAKES MUSHY OR SPONGY GRABBING OR STICK? (WAIPAHU)

When you go to stop does it feel like you stepped on a Bananna or Mango? Mushy brakes can cause accidents and grabbing of the brakes. It can also cost heavily if you wear through the protective lining and now have metal against metal. Why take a chance if you can feel a problem in your brake peddle or your Emergency Brake does not hold well, or goes down too far.
