

Experienced CAD Draftman for ContractualPart Time Work Today (boca raton)

Location

Florida

<https://www.genclassifieds.com/x-513105-z>

Hello! I am an experienced CAD draftman looking for part time & contractual work! I have 15 plus years of experience in CAD drafting (surveying civil engineering architecture mechanical and electrical), as well as 6 years experience managing close to twenty employees as a senior survey technician. Please email me with any questions you may have or additional information needed! Resume can be provided upon request. Thanks & have a great!
