 IF THE QUALITY AND THE PRICE MATTERS TO YOU - THEN CALL US  
 WE DELIVER TO YOU

WE manufacture hurricane resistant custom storage sheds / buildings. A large shed selection or can manufacture one to your custom size and layout. You pick the color. . . All of our Vinyl siding or hardie board sheds (Buildings) meet building codes and are manufactured with an all 16 inches on center frame, wall studs, floor joist and trusses with a cross brace on every wall that is required in home code for its strength and integrity in structure. An all pressure treated floor and thermo-ply insulation on your walls and for your roof you'll get 1/2 inch plywood with 30 grade felt and shingles or upgrade to Standing seam Galvalume steel roof. . .Known for its superior resistance to wind damage. These sheds have been City and State certified and are The ONLY sheds sold to have a hurricane tolerance wind load of 180 MPH of Exposure class D of hurricane gust wind damage . . . specifically assigned for South Florida coastal areas and the only ones that meet the Florida keys strict wind load classifications of exposure D ( Exposure C won't do). These sheds can be installed legally right on the coast line... This is how well constructed these

sheds are . . . These are real buildings not your grandmas shed . . . so you can turn them into a pool house, a garage, and bathroom to a car wash, a bicycle garage, or simply a storage shed. . . given you want to protect your yard, your tools and your building with a pressure treated floor and you will want to see our customer testimonials and the construction of the industry the only Sun Crest Sheds . . . for construction quality is better than the rest of the shed building market . . . this is why we are chosen more often by architects, government and the general public.. Open 7 days 9 to 5:00 pm... We want and need your privileged business. We also move sheds and deliver to you. Must have unobstructed access to delivery truck and shed. Charge is an extra charge if needed.. We custom manufacture any size up to 720 sqft.

COME VISIT ME! AT 18005 S. DIXIE HWY. FL 33157.... on the north bound lane of US 1, two blocks north from Eureka drive.
