

lost twin stroller barnes and noble parking lot (Lahaina)

Location

Hawaii

<https://www.genclassifieds.com/x-513180-z>

Aloha, please help! We drove off and forgot to put our twin stroller in the car at the Barnes and Noble bookstore in Lahaina on Sunday evening June 14, around 6:30 pm. It is a baby jogger city select stroller with two seats, one red and one black it has a silver aluminum frame with black wheels and handle. If you found it, please call or text me. Our twins would love to have it back!
