NOLA Pet Services, LLC is a small locally owned business started by a military veteran with a Biology background and a huge passion for animals.

NOLA Pet Services, LLC offers a variety of services to pet owners including new pet consultation and set up, aquarium set up, cleaning, diagnostics, and treatment, dog training and walking, basic dog grooming (Shampoo and condition, ear cleaning, teeth brushing, fur brushing/combining), avian behavior training and grooming, ranch/farm services including animal grooming and sitting, and the boarding of small mammals, all avian species, reptiles, and amphibians. No job is too big or too small for NOLA.

In addition to the services listed above, NOLA also offers contract labor on farms for animal related services, yard maintenance and cleaning (poop scooping and general landscaping), cage cleaning, and other unorthodox pet related services. Just give us a call for a free consultation and we will offer you our best services.

We also offer traveling interactive educational pet presentations perfect for birthday parties and classrooms!

Animals include:
 Tortoise
 Guinea Pig

Rabbit
