Carpenter/handyman willing to fix up your rental in exchange for reduced rent or free rent (depending on the amount of work needed).

Looking for a year-long or a six-month lease beginning in August. After one year your property will have increased in value and you will be able to rent it out or sell it for a higher price. A guaranteed return on your investment.

I don't smoke or have pets.

I need a two or three bedroom or larger, with a yard. (I have a wife and kids. My wife is a great interior designer.)

Able and willing to do plumbing, electrical, drywall, painting, landscaping, install flooring, doors, cabinets, fences, etc. . . Email for a complete list of services and pictures of previous work.

Please email and include:

- Approximate location and a description of the rental
- The type of work you would like done
- How much do you normally charge for rent
- What type of rental agreement you are thinking of
- Your phone number

Or call and leave a message.

I'll respond soon with pictures and will give you a call to discuss the details.
