My aunt left me with boxed color on top of a couple of different blondes. I need more bleaching on the boxed color,bleaching on the new growth, and the toner to turn it all platinum. I'm hoping I can find someone to do it, and at a decent price. I have never hated my hair,and I hate it so much now. Please help me out,and hopefully I can continue to use you on not only me,but my daughters as well. I need someone who can come to me for I have a seven month old baby I tend to. Please contact me by via text only thank you
