Seeking a part-time morning and afternoon nanny. Primary morning duties are responsibility for an almost 2 year old girl--- getting up, breakfast, dressing and dropping at daycare here in Eagle River. Afternoon duties consist of picking up toddler from daycare and bringing home until about 530 pm most nights. We also have 11 and 14 year old girls who occasionally need dropped off or picked up from camps/after school activities. Availability to watch the baby if daycare closed or she is sick also needed. Average 20 hours/week. Early starts on Tuesday and Thursday (530 am), otherwise 630 am until drop off at 830-9 am.

We desire someone who is reliable, punctual and flexible. Current nanny is leaving the state in a few weeks!!. Ideally you would overlap a few days.

Pay is \$20-22/hour depending on.
