lost grey and white cat (covington la)

Location Louisiana https://www.genclassifieds.com/x-525147-z

have you seen my big baby. he a male cat, grey and white

he fixed, loving , and the kind of cat that wouldn't leave home.

I supposed he was stolen or pick up....

if you have him please return him .

he very relaxing cat , ive had him since he was a kitten .

he my baby.....

very well missed....

buddy

its sad that somebody steals someones pet and not return or put on craigslist.

they prefer to keep. that thef. what happens if it was the other way around, someone took your child, or pet . well my pets is my kids to me. if you took him return..... thank you

reward if found
