Meet May! She is a 24 year old live in nanny/au pair with our agency. She has fabulous references, however due to family's financial situation, the family can no longer employ her. She did a great job caring for 4 year old twins, 14 and 16 year olds.

She will live with your family, take care of the children, teach them about her culture, do light housekeeping, launder the children's clothes, help them with homework, etc.

She is CPR and First Aid Certified.
 She speaks excellent English and French.
 She has an international drivers license so she can drive your children to activities.
 Has experience with children ages 2 to 16 years old.
 She enjoys skiing, biking, rollerblading, and swimming.

When we asked her what she likes to do while caring for children, she replied:"
 I love doing a lot of activities with childrens like painting, coloring, collage, crafts, cooking, salt dough, mime games, board games, hide and seek, puzzle, and more. I also like spending time outdoor as playing at the park or amusement park for kids, visit children's Museum , playing ball games, going to swimming-pool, and doing a biking, roller or walking promenade for example."

If interested in her, please call her agency rep Jane at (cell). She will go fast!! Cost to host an au pair averages about \$360 per week per family (which includes the program fee and her weekly stipend)!
