\$5 / Chain. Lots of experience. Comments from one customer "You sharpened about 30 chains for me a little over a month ago. I've been using them and do a great deal of arborist work - high volume. I just want you to know you did a great job, I've been VERY pleased - sharp, did not turn teeth blue, did not grind teeth away, etc." Chains returned within 24 hours. Respond with your phone number so I know you're not a spammer.
