Do you want to learn how to take better photos of your family, or just create your own art?

I can help.

I offer one on one instruction on photography, lighting, and image editing. I can provide instruction on everything from weddings, to still life, sports and architecture.

This can be done online for \$20.00 / hour, or personalized service at your home (or mine), for \$50.00 / hour.

I look forward to speaking with you.

Sincerely: Dennis
