Due to the overwhelming response we've received, we no longer need any further responses. We will go through the list of responses already received and contact our choice with the details. Thank you!

Need to hire someone who is skilled with yard cleanup. Mainly in need of leaves and broken branch removal and some minor weeding. Willing to pay \$100 for full job. Must have own tools and be able to haul off broken branches. Might be willing to negotiate fee if necessary. Also seeking someone who is skilled with patching holes in drywall.

Email responses preceded, no.
