

Internship Catholic Web Programming (Remote)

Location **Iowa**
<https://www.genclassifieds.com/x-525345-z>

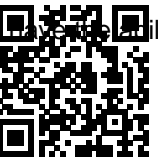

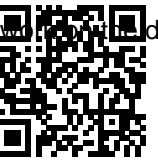

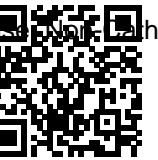

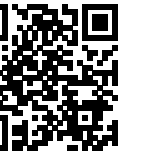

Up-and-coming Catholic education site is seeking a volunteer intern for a part-time coding experience. Please indicate if you have any experience already in any areas of programming.

We are looking for anyone with experience in any of the following:

- * HTML
- * CSS
- * PHP
- * MySQL
- * JavaScript
- * jQuery
- * Ajax
- * RSS feeds
- * E-commerce
- * SEO

High preference given to those with bootstrap experience. Please cite whether or not you have any bootstrap experience.

If you are interested in gaining experience and receiving a recommendation letter at the end of this project, please contact us. You will be supervised and taught by our Chief Technology and Information Systems Director.
