YOU WONT FIND THIS IN STORES... HARD TO FIND ITEM- located in Lincoln

Last week I purchased a brand spanking new flight case. Paid damn near \$600 plus \$100 in freight to have the thing shipped up here on a transfer truck just to find out that it doesn't fit my new speakers. These are TOP OF THE LINE and retail for up to \$900.

Just trying to get some of my money back.

I WILL NOT DICKER OR JEW ON PRICE! I AM FIRM!

Possibly a 2nd one for sale at the same price. Can provide receipt. Need it gone asap so I can put the money towards buying the correct.
