Hello, my name is Chris and I am a web developer/security analyst. I have over 8 years' experience in Web Designing and over 10 years experience in security.

I am here to extend my services to you. Do you have a website that is hacked? Do you have malware on your website? Spam on your website that is giving bad google results? I can take care of this for you and much more.

You can reply to this ad directly and we can discuss your needs. If you have any questions or concerns, please don't hesitate to reach out to me.

Thank you for your time and!
