We are family of 4 and we are moving from NC to Gautier to be near family. We currently are home owners in NC and we would like to start by renting in Gautier area. We have one small inside dog which mostly lays around the house and sleeps.

We are looking for a 3-4 bedroom 2 bathroom home with a monthly payment up to OR around \$800

Moving date as soon as we find the right home.

Please contact us through the email provided.
