Are you looking for a quality, dependable, experienced child care? I have an opening due to a family moving.

Home childcare is a great place for young children to learn social skills and manners; enjoy preschool activities, music, crafts, make new friends...in a comfortable "home" environment. Our day includes circle time, indoor and outdoor play, storytime all in a much smaller group and lower rates than a Daycare Center.

The lower level of our home and large fenced back yard is devoted to kids.

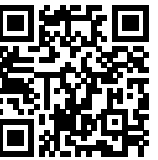

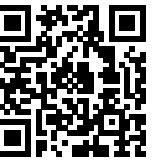

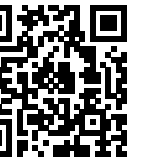

I do attend courses annually for CPR, First Aid, Children's Health & Safety; Curriculum and Preschool Activities, etc.

I offer a wonderful place for your child to learn and grow.

I offer a loving and caring atmosphere as well as:

* A preschool program during the school year with structured preschool learning activities including numbers, colors, letters, shapes, handwriting, art, circle time, etc.

* Craft projects each week
