Hale Kaheiau is a privately owned vacation rental house that is fully furnished and offers all the comforts of home you would expect, including Internet, Wi-Fi, digital cable TV, full size washer & dryer, modern appliances, BBQ grill, off-street parking, plus a huge lanai/patio area with private pool facing the ocean. Google us and read the reviews!

Our vacation home features a smart layout -- not too big, not too small -- with 2 bedrooms and 2 bathrooms located on opposite sides of the hexagon shape main living area. Perfect for 2 couples. With no stairs to climb everything is easily accessible. We have one California King and one Queen bed, so Hale Kaheiau officially sleeps 4.

Great central location in town while in a well established neighborhood. Everything from fantastic snorkeling to waterfront restaurants to Costco is just a 5 or 10 minute drive away. Only two blocks up the hill is the start of the popular Walua Road walking trail, a great way to start any day!

You will enjoy a sense of peace and privacy on our large beautifully landscaped lot complete with citrus, avocado, pineapple, and coconut palms. This is not an "ohana" or guest house. For less than the price of a hotel, you can have the entire property to yourself and enjoy what we call 'real Kona living'.

The property is professionally managed by Kona Coast Vacation Rentals so you can be assured of professional attention and help with anything you need.

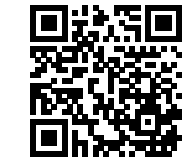

Contact me, the owner, directly through this ad for additional information on how to book your stay and total cost including taxes and fees. Please also feel free to contact us or visit us on Facebook for even more pictures and information about our vacation home and the Big Island.
