Location

Hawaii<https://www.genclassifieds.com/x-525589-z>

Aloha,

My husband and I are looking for small cottage/studio/ohana to rent. I am a teacher in Na'alehu and he works construction in Kona, so ideal location would be South Kona/Captain Cook area to spilt the commute. We are a hardworking, reliable, and quiet young couple. We do not currently have any pets, but are looking to adopt a dog so ideally would like to find a place that would allow a dog.

We would like to pay under \$1,200 a month.

Please email me if you think you have a place that fits!

Thank you so.
