I am starting up a party business. Right now I am focusing on doing girl's birthday and graduation parties from like 1-15 yrs of age. I am really good at knowing how to keep kids entertained and give them a good party they will never forget. So I decided why not make it a business for all the keiki on Oahu?

What I am looking for is:

Performers

Costume Characters

Decoration Set Up

Clean Up/Set Up Help

Musical Talent/DJs

Seamstress/Designer

Pay depends on job position and job. Sometimes we may only do a party for two hours, sometimes they may last five. Sometimes pay will be higher than others. My goal is pay hourly over \$20 an hour, on up to \$50 an hour, and pay will be stated before each event, so you will know what you will be making before you work. I'm only looking for one or two people.

I have a face painter/hair stylist who will be assisting me at some events, and someone to help with occasional set up/clean up. I do event planning, decorating, and photography, and dress up in costume and play the part, as well as do some interesting performances and dancing. I also dj and have proper
