Custom and standard exhaust work specialist!

Huth Motorsports provides only quality pipe nearly, and in most cases, double the thickness or gauge of the competitor. We have our own pipe bender, welding equipment and can bend pipe up to 3" in diameter...yes 3". We carry Flowmaster and Magna Flow exhaust as well as many others. We carry chrome and stainless tips in our inventory.

We encourage you to compare. While out price shopping your exhaust work, look at the gauge or thickness of the pipe, then stop by our shop and see the difference. We'll beat them in both quality of pipe used, and in price. Catalytic converters and O2 sensors and also carried on site for installation. We look forward to serving you and your exhaust needs.

Huth Motorsports provides high-end, Viper, window film, in a caring, upscale, professional environment. We offer window film in a variety of styles, and shades. Our goal is to tailor the client's experience based on initial interview information, as well as feedback during the consultation, to ensure the client's comfort and satisfaction. Our licensed window film installers and sales persons can help every step of the way. To help increase repeat business we are mindful of the overall experience -- using only the finest installation tools, film, and the best installers. We know and understand that without our customers, we do not succeed!
