## Dad and 13 yo son looking to volunteer (BiloxiGPTMOB)

Hi , I have my thirteen year old son down from Oklahoma for his summer vacation and we were looking for ways to make some extra spending money so we can afford to go do stuff together. I am a big strong guy; my son is a bit smaller in stature but still strong enough to do some moderate lifting. We just need an opportunity to make some extra money for groceries and with any luck maybe we can afford to go have some fun while he is here. In exchange for free labor we are accepting whatever donations you might find it in your heart to offer us.

Thanks for your consideration,
Adam \&
