## 4 NEW Lighting Indoor amp Outdoor Italian Pendant Hanging Lights (220 USD)

Location Indiana https://www.genclassifieds.com/x-525764-z

I have 4 Brand New Prima Lighting Pendant Hanging Lights for Sale.

They are rated for indoor or outdoor use and they are the more durable of the two outdoor ratings. These are high end designer lights with heavy Italian Made Amber Glass Shades. MSRP for EACH LIGHT is \$400 and they sell online for well over \$300 EACH. I'm selling all 4 - new in their boxes for just \$220.

These energy efficient lights run on compact florescent bulbs that are easily found in home improvement stores. The inside of these beautiful glass shades are glazed in white to maximize the amount of light emitted.

If you're not familiar with Prima Lighting, they are primarily involved in the commercial lighting space, which is why their products are so durable and expensive. I suggest you peek at their website at http://primalighting/
