This is a VERY NICE - BRAND NEW - American Standard Pedestal Sink. This style is currently available for sale at various places and Amazon's best price for the Basin, Pedestal & Shipping is \$257. I'm willing to part with this set, new in the boxes, for \$80. This is a very heavy, well manufactured sink that I am offering for sale at a price similar to that of much cheaper, lighter sinks carried in the big box home stores. PLEASE NOTE: The color of this set is fawn beige (shown in the pictures where the basin and pedestal are separated) and the pictures of the white sinks are only to show you what this same set looks like when it's installed and no faucet is included.
