This is a VERY NICE - BRAND NEW - Antique Reproduction Style - American Standard Pedestal Sink. This style is currently available for sale at various places and eFaucets.com's best price for the Basin, Pedestal & Shipping is \$278.90. I'm willing to part with this set, new in the boxes, for \$85. This is a very heavy, well manufactured sink that I am offering for sale at a price similar to that of much cheaper, lighter sinks carried in the big box home stores. PLEASE NOTE: The color of this set is called shell and no faucet is included.
