My name is James Brummett, 1150 West Lincoln Street, Danville, In. I founded the UVLO to help Veterans and others with basic needs and food. We have had a lot of success helping Veterans. They do not get cash, they get aid. We are trying to obtain the funds to turn 30 acres of land into one acre tracts with homes to give to disabled Veterans. NOT ME. We are also having a lottery type thing, \$50.00 get's you a ticket to one, one acre lot, no home, if your name is drawn once we have the land. If we do not have the funds for the land by the first of 2017, all tickets will be refunded, you will have a receipt sent to you once you buy a ticket. This is a not for profit org. (We also take in TV's, old computers etc, to try to refurbish at our expense to give to Veterans. As of todays date,6-7-15 over 100 VHS tapes, Four TV's, and Four computers. What can not be fixed is scrapped. We had two security monitors donated, we donated them to a Veterans org in Indy to help in their security system. We help Veterans, their families and all Americans that we can.
