

Small business investor needed (Danville)

Location **Indiana**
<https://www.genclassifieds.com/x-525926-z>

Business plan is ready, I am seeking a \$250,000.00 investor/partner. The way the plan is laid out your money is secured. By the end of this year we could have my solar air car, designed in the 1970's, off the ground over Indiana soil and be deciding whether to sell or build a business on it. thanks,
