I am in need of a sitter for my two boys 6 and 9 for the summer. Im looking for work at the moment. It would be only 3 days a week sometimes 4 days. Im looking for first shift job. May include some Saturdays not sure. I prefer someone with professional experience, not someone who has only the experience of caring for their own siblings. My children need to be watched continuously and not let out of your sight. They are curious and tend to wander off. My 6 yr old has adhd. My 9 yr old has adhd, odd, impulse control disorder and both take meds daily. My 6 yr old must attend summer school beginning 7/13, so im looking for someone in franklin comm school district or someone who would drive to my home at 11:30 and wait for him to get off the bus. Please email me or text me with rates, availability, experience and a way to contact you. If im interested, i will reply to you promptly. Thank
